77/8 **4** (MEDIATION) Beantworte die Fragen zum Kiltie Dash in Stichworten auf Deutsch.

The Kiltie Dash is another unusual sport in Scotland. It is a fun race and it is part of the Highland Games in many Scottish towns, for example in Birnam. You don't need to be good at sports to take part in it - it is only a fun race. But there is one thing you need: a kilt! That's what the word 'Kiltie' stands for: a person who is wearing a kilt. The rules are not difficult: Everybody starts running and the first and fastest person is the winner. You don't think you can run in a kilt? You are wrong! But be careful: Sometimes it can be very cold when you run in a kilt. But do not wear trousers or shorts under your kilt. Then you would be out!

1. Was ist der 'Kiltie Dash'? eine weitere ungewöhnliche Sportart in Schottland/ ein Spaßrennen/eine Disziplin bei den Highland Games
2. Wer kann am Kiltie Dash teilnehmen und was braucht man dafür? jeder kann daran teilnehmen; man muss einen Schottenrock tragen
3. Was passiert, wenn man eine Hose unter dem Schottenrock trägt? man kann nicht teilnehmen
