6. While the lady **was taking** the dog for a walk, she **lost** her credit card.

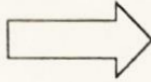

“while” bedeutet “während”

→ In diesem Satzteil MUSS IMMER die **länger andauernde Handlung** stehen
(PAST PROGRESSIVE!)

Practice: Simple Past or Past Progressive

Write sentences about the following pictures and use the simple past and the past progressive.

The longer action

past progressive (what people were doing)

Example:
 (I/drive home/see
 an accident)
 While I was
 driving home,
 I saw an accident.

1.

We/dance/the lights/go out

2.

It/rain/I/arrive

3.

They/rob a bank/the police/ arrive

4.

The phone/ring/I/read

5.

She/shop/she/ meet him

Simple past, past progressive

The patients in the hospital waiting room have all had an accident.
How did the accident happen? What were they doing?
Join the sentence parts with *when* and use the simple past and past progressive.

Example: Mrs Jones - fall - ladder / clean windows
Mrs Jones fell off the ladder when she was cleaning the windows.

- 1. Mrs Baxter - burn - hand / take - cake - oven

- 2. Mr Granger - hurt - back / move - furniture

- 3. Billy - hurt - leg / play football

- 4. Mr Simpson - hurt - head / clean - kitchen

- 5. Mrs Walker - cut - finger / make - pizza

- 6. Kate - fall off - bike / ride - to school
