Lösung MYSTERY QUIZ

Buch S. 89/ Step 3b)

1. What were you doing between 10:00 and 11:00 p.m. last night?
2. What were you wearing last night?
3. Were you walking near the museum last night?
4. Were you carrying a bag?
5. Did anyone see you?
6. Who did you see?

S. 89/Step 4

A man was walking near the museum at half past ten. He was wearing black clothes and glasses. He was tall and thin. He had a very big nose and long, black hair. He was carrying a big bag and some paper.

It was Norman Nasty. The police report says that the man had long, black hair, a big nose and was carrying a bag. We know from Sherlock's interview that Norman Nasty has long, black hair and a big nose. Bad Bill Brady has red hair and never carries bags.

S. 89/ Step 5

SHERLOCK HOLMES SOLVES THE MYSTERY!

Yesterday Norman Nasty was arrested for stealing the world's biggest diamond.

He was planning to escape on a boat to America, but the police caught him before he could leave.

He kept the diamond in his house, but the police found it when they were searching.
